An act to add Section 40511 to the Public Resources Code, relating to solid waste.

LEGISLATIVE COUNSEL'S DIGEST

AB 1244, as amended, Olberg. Solid waste: beverage containers: programs.

The existing California Integrated Waste Management Act of 1989, which is administered by the California Integrated Waste Management Board, establishes an integrated waste management program, including providing for recycling to reduce solid waste disposal.

prepare and submit to the Legislature a report, as prescribed, that identifies any duplication or overlap between programs administered and funded by the 2 agencies pertaining to public information and education, local government review and assistance, and recycled materials market development.

The changes proposed by the bill would become operative only if ~~S.B.~~ SB 332 of the 1999–2000 Regular Session of the Legislature is enacted and becomes effective on or before January 1, 2000.

Vote: majority. Appropriation: no. Fiscal committee: yes. State-mandated local program: no.
